

Electronic Transmission & Signature Agreement
For Listing and Marketing Agreement

Client(s) Name: _____

Property Address: _____

Listing Broker: Keller Williams Realty Red Stick Partners

WHEREAS, the above identified CLIENT acknowledges that in seeking to list and market the above referenced property with the above identified Broker Agency it will be easier and more efficient to receive and send certain documents via electronic transmission (i.e. email, facsimile, scanned document, and any other form of electronic transmission) to perfect the TRANSACTION for listing and marketing said property.

Considering the foregoing, _____ (clients) and KELLER WILLIAMS REALTY, RED STICK PARTNERS hereby agrees to conduct the transaction via electronic means, including email, facsimile, scanned document, and any other form of electronic transmission of documents. The parties hereto acknowledge that conducting the transaction electronically will require the parties to affix an electronic signature to the documents involved in the transaction and do hereby agree to same. Additionally, any person involved in the transaction to list and market the above identified property may rely on the electronic signature of the parties as the true and correct signature of each party and the electronic signature of each party shall be given the same force, weight, and effect as if each party signed any document in his/her/their own handwriting.

Any and all written notices and communications are authorized to be delivered to the below listed email address or addresses. Nothing in this agreement shall limit the manner or form of written documents and notices involved in this listing and marketing transaction and their delivery.
